

Mike Ryan

Founder

Mr. Ryan is a BSEE graduate of General Motors Institute and has attended the University of Notre Dame Mendoza School of Business. He has over 30 years of experience in project and executive management in Energy and Information Technology with global expertise in strategy creation, developing executive relationships, complex project management and applying technology to business opportunities through a solid understanding of financial analysis, capital budgeting and technology applications. He also has extensive experience in the business deployment of global IT projects and has served in several V.P. and CIO roles. Various members of his family have served in the US Army, Navy, Navy SEALs, Marine Corps, Air Force and Space Force, and have greatly influenced his life.

Mike and his wife Shawn live in Katy, Texas. Here they raised their four children who now are spread all around the state. When Mike is not talking about bourbon, he and Shawn enjoy cooking out and being poolside. Mike is constant “tinkerer” and inventor and owns multiple patents.
